Welcome!

It is truly a privilege to join with Orange County Public Schools and The Infinite Scholars Program for the Annual College Scholarship Fair.

The Infinite Scholar Program is the leader in minority student recruitment for major university and colleges. Today, the program will host nearly 40 colleges, universities and armed services representatives from across the country that are providing opportunities for qualified students on site.

I am thrilled that Orange County students will have the opportunity to meet one on one with representatives to qualify for scholarships to further their education. I commend Mr. Thomas Ousley and coordinators for organizing this event, each of the institutions represented here today, as well as the young people and their families in attendance.

You have my best wishes on a wonderful event. If I may be of assistance in the future, please do not hesitate to contact me my Orlando District Office at 407-872-2208. Good luck students!

With kindest regards, I am,

Sincerely,

Corrine Brown, FL-05  
Member of Congress
