Students get \$\$\$\$\$\$ in scholarships

West Orange High School senior Malikh Shrouder receives a \$112,000 presidential scholarship from Virginia State University.

A dual-enrollment student with Valencia College and an aspiring pre-med major, Malikh's grade point average, college test scores and activities were so stellar that VSU representatives offered him their presidential scholarship.

Several colleges and universities were on hand at Evans High School on Jan. 14 to offer hundreds of thousands of dollars in scholarships and immediate acceptance to deserving, qualified students. It was all part of the 2015 Infinite Scholars College Scholarship Fair ([www.infinitescholar.com](http://www.infinitescholar.com)) that was promoted to OCPS seniors and their parents. Stay tuned for more information about the amounts and numbers of acceptances that were awarded.
